# Tadhg the turtle

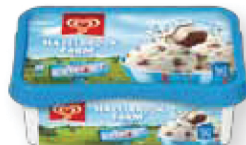

- 1 Scoop out a ball of delicious HB Hazelbrook Farm Iceberger ice cream.
- 2 Grab a small, round fruit, like a cherry, or even a tiny plum, to make Tyson's head.
- 3 Stick on Tyson's little legs, Little Scoop thinks four sultanas work nicely.
- 4 Add something small for his eyes like chocolate drops, and a squirt of sauce to form his mouth.

*Garnish this family treat with a dash of fresh mint and then tuck in!*
